OUR STORY

Cloudbreak Cafe was born out of our desire to help heal and nourish people in our community on a daily basis. Our passion is helping change lives by creating a positive experience for our customers where they leave feeling fueled, loved and nurtured. We believe that health is wealth and making healthy decisions for yourself and the

environment on a daily basis is what the world needs more of. We offer signature smoothies and shakes that are garrented to make your day a little sweeter.
